Subject: Revision of Effective Date Certification Bulletin 2006-11 Concerning CSA Standard, B140.0-03 Oil-Burning Equipment General Requirements

This is to advise that Underwriters' Laboratories of Canada has revised the effective date for compliance to the requirements of CSA Standard, B140.0-03 Oil-Burning Equipment General Requirements to December 31, 2007.

The date has been revised to coordinate the effective date with dates established for associated requirements. Applicant/Listees of affected files will receive notification and additional information through ULC's Industry File Review program.

Any questions concerning the above should be directed to Mr. Normand Breton, Chief Engineer – Canada, 416-757-3611 ext. 61238.
