The minimum height of the trademark reference TM shall be 3/64 of an inch. When the overall Mark is less than 3/8 of an inch in any direction, the trademark symbol may be omitted if it is not legible to the naked eye. The word "Product" and the URL and file number will be set in Helvetica Neue Black Condensed. When color reproduction is an option, the checkmark appears in PMS 361; all other elements of the mark are 100 percent PMS black.
