RE: Certification by Reciprocity
Underwriters Laboratories, Inc.
Georgia ID #929

Dear Mr. Piechocki:

The Georgia Department of Natural Resources, Environmental Protection Division (EPD) is in receipt of all required data necessary to fulfill your laboratory's request for Chemical Certification by Reciprocity in Georgia. Therefore, in accordance with the Georgia Safe Drinking Water Act of 1977 (Sections 12-5-170 through 12-5-193, O.C.G.A.) and the Rules for Safe Drinking Water (Chapter 391-3-5), this certification is valid until June 30, 2012. **This certificate replaces any previous certificate.** This certificate is contingent upon continued Certification by the State of Florida and is non-transferable. This certificate is also contingent upon continued acceptable Proficiency Testing results.

Prior to the expiration of this certification, please contact your accrediting/certifying authority and request that the following information be forwarded to me at lynne.grubb@dnr.state.ga.us.

1. Copies of the most current on-site and accepted corrective actions
2. Copies of the scope of accreditation listing analytes

You should receive a revised application for reciprocity from me prior to the expiration of your certification. For additional information please feel free to contact me at 404-657-3189.

Thank you for your patience,

Lynne Grubb
Laboratory Certification Officer
Compliance and Enforcement Unit
