

Wireless, Interoperability, Security and EMC (WiSE) SERVICES SERVICE TERMS

These Service Terms shall govern WiSE Services performed by UL Contracting Party (as identified in the Quotation or Project Confirmation) and set out the responsibilities and obligations of the Client. The WiSE Services do not involve any assessment or evaluation to independent safety standards, and UL Contracting Party and our affiliates have no responsibility to make any independent safety assessment of any samples. These Service Terms and the terms of the Global Services Agreement (“GSA”) are incorporated by reference into and are an integral part of each Service Agreement entered into by the Parties for WiSE Services. The capitalized terms in these Service Terms which are not defined herein shall have the same meaning as in the GSA.

1. **Scope of Service.** "WiSE" is an abbreviation for Wireless, Interoperability, Security, and Electromagnetic compatibility. WiSE services include, among other services: wireless, interoperability, security, global market access, and electromagnetic compatibility ("Services"). UL Contracting Party ("we", "us", or "our" as the context requires) is the UL Contracting Party named in the order, scope of work, project proposal, quotation, or order acknowledgment ("Quotation"). We will evaluate your devices, equipment, materials, or systems ("Products") to assess the Product's compatibility with the requirements as designated in our Quotation. The Services do not involve any assessment or evaluation to independent safety standards, and we and our affiliates have no responsibility to make any independent safety assessment of any samples
2. **Retailer Programs.** If you request us to test compliance with retailer, carrier or other third party program (“Retailer”) by requesting Services under the Retailer’s program, you consent to our disclosure of all associated information, materials, and Deliverables to such Retailer and acknowledge that, notwithstanding any terms to the contrary in these Service Terms, the ownership of the deliverables for the Services will be in accordance with the Retailer’s program.
3. **Samples.** UL Contracting Party will examine and test one or more samples of the product. The number of samples required will depend upon the product, the number and type of tests required, and other factors. Once UL Contracting Party has determined the investigation program for the product, UL Contracting Party will inform Client of the number of samples needed.
 - **Shipping Samples.** UL Contracting Party will provide Client with information on where to ship the product. Usually, UL Contracting Party will ask Client to ship product samples to a nearby UL Contracting Party facility. *To avoid unnecessary shipping expenses, Clients should not send samples to UL Contracting Party until UL Contracting Party requests them.*
 - **Oversized Samples.** Some products or systems cannot be easily or economically shipped to UL Contracting Party for testing. If a product cannot be shipped to UL Contracting Party, UL Contracting Party and Client will mutually agree upon other ways to investigate Client’s product at Client’s facility or other locations.

- **Testing and Return of Samples.** WiSE testing will not physically destroy Client's samples. However, products may be damaged by WiSE testing. UL Contracting Party will return Client's samples to Client after testing at Client's expense, and insure them for a nominal value, unless Client instructs UL Contracting Party otherwise. *UL Contracting Party shall not be responsible for lost, damaged, or destroyed samples, or for injuries or damages of any nature caused by any sample.*
4. **Use of Names and Marks.** WiSE Services shall not result in UL Contracting Party issuing product safety certification or any authorization to use the Marks. Except as otherwise expressly authorized by UL Contracting Party, Client shall not use UL Contracting Party's, or any other UL Company's, name, abbreviation, or symbols, Marks or any other form of reference which may be interpreted to refer to UL Contracting Party or any other UL Company, on any goods or their containers or packaging, or in connection with any oral or written advertising, promotions, or otherwise.
