Release No. 19PN-09

UL Reissues Warning of Potentially Hazardous Surge Protectors

Northbrook, Ill., June 20, 2019- The following is a reissue and expansion of UL public notice [16PN-10](#), previously released on July 29, 2016 for potentially hazardous surge protectors. UL has expanded the notice to include Sycom Model SYC-120/240-TC. This product does not comply with UL's Safety Standards and is not authorized to bear the UL Mark for the United States or Canada. This surge protector may pose a fire hazard.

UL is aware of several reports on <http://www.saferproducts.gov> that involve fires with these surge protectors. UL recommends that you stop using all models identified in this notice.

Northbrook, Ill., July 29, 2016 – The following is a notification from UL that the surge protectors identified below may pose a fire hazard. The products do not comply with UL's Safety Standards and are not authorized to bear the UL Mark for the United States or Canada.
