United Arab Emirates (UAE) Certificate of Compliance

Information and Guidelines

I.   Steps for Application

1. Review and complete all documents (**See VI. Download Forms**)
2. If eligible, send email to firesafetyquote@ul.com
   a. Accepting All Applicable Fees (**See III. UAE Certificate Fees**)
   b. Attached Purchase Order (P.O.)
3. Release payment to establish project
   a. Project Initiated (**See IV. Processing Time**)
4. Collect UAE CoC (**See V. Collection**)

II.   Documents Required

1. Application and Certificate Form
2. Authorization Letter (Multiple/Alternate Listee), if required
3. Control Unit Compatibility List Template, if required

III. UAE Certificate Fees

S. No	Fee Type	(USD)
1	UAE Certificate of Compliance (Per Certificate)	705.00
2	Compatibility List (Fire Alarm Control Panels)	568.00

IV.   Processing Time

This depends upon the complexity of the product scope. UL will work directly with the manufacturer/supplier to provide an Estimated Completion Date (ECD) quickly and do everything possible to meet the needs of the requestor. Approximately ten (10) business days after the project has been opened.

V.   Collection

All Endorsed UAE CoCs will be sent to the UL Dubai Office for collection.
