## **UL Warns of Unauthorized Reference to UL Certification on Fire Extinguishers (Release 21PN-13)**

**NORTHBROOK, Ill., April 26, 2021** — The following is a notification from UL that the fire extinguishers identified below bear an unauthorized reference to UL certification. These fire extinguishers have not been evaluated by UL to the appropriate Standards for Safety and it is unknown if the fire extinguishers comply with any safety requirements.

Although the fire extinguishers bear reference to the “Kidde-Fenwal, Inc.” name, these fire extinguishers were not manufactured by Kidde-Fenwal, Inc., and are not otherwise affiliated with Kidde-Fenwal, Inc.

**Name of Product:** Proextinseg

**Remedy:** UL recommends that you stop using this product.

### **Identification on the Products:**

These fire extinguishers bear the following markings on the front label:

PROEXTINSEG  
Articulos de Seguridad y Extinoros  
CERTIFICACION DE RECARGA Y MANTENIMIENTO DE EXTINORES  
CARGADO CON POLVO QUIMICO SECO PYRO-CHEM ABC 90  
UNA MARCA DE KIDDE-FENWAL, INC Y CERTIFICADO  
POR UNDERWRITERS LABORATORIES INC  
UL N° 711
