

Dear Customer,

## 2017 ENEC License Annual Fee

Our annual fee is calculated based on the total number of ENEC License(s) you hold, and invoice are also includes the cost for the annual ENEC re-testing activities.

Annual Fee - ENEC License Switch (Certification) is for using the ENEC mark in 2017

Annual Fee - ENEC License Re-test (Certification) is for re-testing in 2016.

Please find below the 2016 annual fee price structure:

Certification Type	Price Policy	# of Certificate
ENEC SWITCH	Global Applicants	\$400 per certificate with a max. total of \$8000 for ENEC, D and UL EU AMF + \$800 for the ENEC re-testing
ENEC SWITCH	Europe Applicants	€380 per certificate with a max. total of €7600 for ENEC, D and UL EU AMF + €760 for the ENEC re-testing

When you market your product with the ENEC marking, it shows that your product has been tested and certified by an independent and impartial third party. This provides additional assurance of its safety to your customers no matter whether they are manufacturers, distributors, retailers or end-consumers.

For ENEC License renewals, please let us know in advance of the expiry date, if you intend to continue using the ENEC mark for each of your products. In order to help you with this process, we have included each certificate's expiry date on the enclosed list, or until a new standard or an amendment to the requirements comes into force (DOW= Date of withdrawal).

In case you should decide to terminate your ENEC License and the right to use the ENEC Mark, please inform UL International Demko A/S in writing or by e-mail to [AMFdk@ul.com](mailto:AMFdk@ul.com) referring to your account number and invoice number in all your correspondence no later than 30 days after the invoice date.

UL would like to thank you for your corporation and if you have any questions regarding this letter, please do not hesitate to contact us at [AMFdk@ul.com](mailto:AMFdk@ul.com)

Kind regards
